MATERIAL	Polipropileno [pp]
DIMENSIONES	66 x 59 x 14 mm.
UDS/PACK	BOX 100 UNITS

TECHNICAL DETAILS

- Our products are ideal for various sectors (colleges, hospitals, homes, catering establishment, etc).
- Our tableware is ideal for communities (schools, hospitals, residences, catering, etc ...).
- Provided with two projections to be able to place the identification cards of the menu of each patient.
- It fits into the insulated tray, preventing it from opening and remaining closed.
- Unbreakable under normal conditions of use.
- Suitable for tray reference 1106102. We recommend two units per tray.
- Suitable for use in dishwashers and for heating in microwaves.
- Will withstand temperatures between -40° and 100°.
