### TECHNICAL DETAILS

- Our products are ideal for various sectors (colleges, hospitals, homes, catering establishment, etc).
- It contains 2 holes in the upper part of the lid to avoid the vacuum effect and eliminates the possibility of the lid opening with hot contents.
- It is equipped with a top projection for stacking with the bottom of the bowls (ref.:1002001-1002002).
- Close hermetically to avoid spilling the liquid it contains.
- Virtually unbreakable if used correctly.
- Suitable for use in dishwashers and for heating in microwaves.
- Will withstand temperatures between -40° and 100°.
